

These fun little shoes help crawlers walk and walkers run. Each shoe squeaks when the child walks correctly heel to toe. When quiet time arrives, the squeaker, located in the heel, can be pulled out by an adult.

Wee Squeak Size Chart
www.meandmyfeet.com

Size	Measurement (inches)
3	4 1/2
4	4 7/8
5	5 1/8
6	5 1/4
7	5 1/2
8	5 3/4
9	6
10	6 1/4
11	6 5/8
12	6 7/8

Measuring:

With your child standing, measure from back of heel to tip of longest toe. Add 1/2" for socks when selecting the correct size. Measure every 3 months during the first year and every 4 months thereafter.
